

Teilbare Gummipressdichtungen

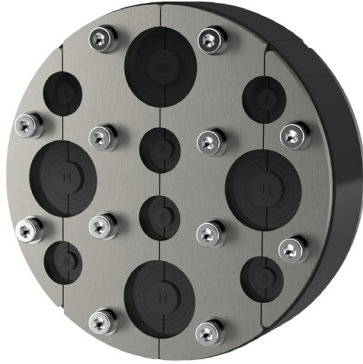

- » Für verschiedene Gewerke einsetzbar
- » Hohe Toleranzüberbrückung
- » Reserveöffnung für spätere Installation
- » Garantiert gas- und wasserdicht
- » Nachträglicher Einbau möglich
- » Standardisierte Liefergrößen
- » Edelstahl Druckplatten

Stand:07/2021

Divisible rubber pressure sealing

- » Individual applications possible, divisible and delivered ready to install
- » Absolutely gas- and watertight for electricity, gas, Tel. LWL and water pipes
- » High tolerance bridging by onion ring technique
- » Reserve openings are closed with the integrated-blind plug
